United Spirits

Metro United Way's 2026 United Spirits Fall Festival brought together Louisville's philanthropic community for an evening of exceptional spirits, culinary offerings, and lively entertainment at Progress Park. The signature fundraising event combined the relaxed charm of an autumn gathering under the stars with an elevated tasting. Fire pits and the venue's picturesque outdoor setting provided a welcoming backdrop for an evening that celebrated both Kentucky's distilling heritage and the generosity of the community. Proceeds benefited Metro United Way's ongoing efforts to help children thrive, strengthen local households, and create a more equitable future for the Louisville region.
